## WHY HEALTH & WELLNESS?

The Greater Brandon Chamber of Commerce membership is composed of more than 30% of health related businesses that want to bring the latest information on health and medical trends to our community along with activities, and entertainment for the whole family.

## Face to Face Interaction

Participation in this community Health & Wellness event will give businesses the opportunity to meet with their community and potential clients face to face. All health, wellness, youth and community related businesses are invited.
