Theme: Shop Local

Back by popular demand, the chamber in December is set to put its money where its mouth is, all to support the **Shop Local** movement! As noted in the box at right, each paying Synergy guest will receive a \$15 gift-card voucher to spend at the luncheon, at **Exhibit Tables** sponsored by chamber nonprofit and business members. In exchange for their \$75 sponsorship, each vendor receives two luncheon tickets (\$30 value) and reimbursement for gift-card vouchers spent at their booths. All in all, a win-win for members looking to get a jump on holiday shopping and for our exhibitors, looking for mission and bottom-line support! The only caveat, understandably, is that complimentary lunch vouchers are not eligible for the Dec. 4 **Gift-Card Giveback Synergy** membership meeting. This includes Synergy vouchers you receive as a new member (after attending your first **New Member Quickstart** meeting) or as

Diamond Jubilee Annual Banquet

More than 400 chamber members and guests are expected to gather Jan. 25 at **The Regent** for an historic event — the chamber's **2019 Diamond Jubilee Annual Banquet**, marking the 60th anniversary of the chamber's January 1959 incorporation. Just in time the chamber has launched a new web site, making it easier for members to purchase tickets, secure sponsorships, and keep abreast of all chamber news, events, and happenings. Keep in mind, too, it's tradition for the chamber at its annual banquet to celebrate past-year accomplishments and set the vision for the year ahead, with recognition of outgoing

and incoming board members and chairs as well as the newest recipients of the **Ambassador of the Year Award, Key Citizen Award, Greater Brandon Community Leadership Award, and Leadership Brandon Impact Award**. To act now, visit our web site, [BrandonChamber.com](#) and its associated pages, for the [Banquet Sponsorship Opportunities](#) and to purchase [seats and sponsorships](#).
